

Product End-of-Life Notification

EOL Number : GE052508

Date: June 22 2005

Product Description: TS86101G2B 10-bit 1.2 Gbps D/A Converter with 4 :1 Multiplexer
Possible Replacements: Contact Marketing

Reason for EOL:

Due to the closing of the wafer fabrication site, it has been determined that the TS86101G2B 10-bit 1.2 Gbps D/A Converter with embedded 4:1 Multiplexer has reached the end of its product life cycle. Appendix 1 provides the list of affected part numbers.

For customers needing longer part availability for the TS86101G2B, special long-term supply contracts will be considered based on an Atmel Wafer Storage Program. For more information concerning this EOL, contact the Atmel Marketing Manager.

Last Time Buy Date: December 23rd 2005

Last Ship Date: June 23rd 2006
